MEMORANDUM FOR: Deputy Director for Intelligence
Deputy Director for Plans
Deputy Director for Science and Technology

SUBJECT: DCI Annual Report to the President's Foreign Intelligence Advisory Board (PFIAB)

1. Once again the Director is required to make an annual report to the PFIAB on "Coordination of the U.S. Foreign Intelligence Effort." In the past you have been most helpful in submitting items to be included in this report and I would like to solicit your help again this year. The period covered has been somewhat flexible. Generally speaking we would cut off at September 1st, but if something significant is in progress let's include it.

2. The major headings of the report are:

a. Assessment of the organization and functioning of the United States Intelligence Board and its committees.

b. Major problems existing in the coordination of the intelligence community.

c. Significant gaps, deficiencies and undesirable duplication of the various U.S. intelligence agencies.

d. Specific actions to strengthen the effectiveness of the over-all intelligence effort.

3. We need only brief summaries of major items as you see fit. Rough notes will do if you wish. You may want to review last year's report and I am attaching a copy.
